Make copies of the eight statements on page 2 and distribute to the children. Prepare to show the video to the children. Introduce the video by sharing the following information.

The city of Miami, Fla., is located in the North American Mission Board’s South Region. There are millions of people in Miami and hardly any of them know what Jesus did for them or have a relationship with Him. We call people who don’t have a relationship with Jesus lost.

It has been said that if you reach Miami with the gospel, you reach the world. This is because people from all over the world come to live and play in Miami. In fact, entertainment is a huge distraction in Miami. Most people live only to have fun, never thinking about God or where they will spend eternity.

Tell them they will learn more about the people of Miami as they watch the video and fill in the blanks. Answer key is on page 3.

Watch the video. Go over the fill-in-the-blank activity, and invite discussion.

1. What new things did the children learn about Miami?
2. Do they sometimes also become distracted from living life on mission by entertainment?
3. What can they do to keep themselves focused on things that have eternal importance?
4. What can they do to help church planters in Miami?
