

Week of Prayer for the Local Baptist Association

# Praying Together for the Strength, Wellness and Wisdom of Pastors

# Week of Prayer for the Local Baptist Association

**Pastoring can be isolating. This year, the prayer emphasis of all SBC associations is the strength, wellness and wisdom of our pastors. Each of us can play a vital part in making their job easier. Would you join us this week in prayer, not only for your pastor, but for all of the pastors in your association?**
