

What is a Sending Church?

Every church can help plant churches.

Whether your church is new to church planting or you have planted dozens of churches, we want to help you take your next step.

Sending Churches take responsibility for a church plant by sending them and helping ensure they get the preparation, coaching and care they need.

SENDING CHURCHES...

- Do everything a Supporting Church would do (commit to pray, participate and provide for the new church plant).
- Commit to take primary responsibility for a new plant.
- Make sure your planter has been ordained.
- Help your planter get equipped by being properly assessed, trained, coached and cared for (see Send Network Planter Pathway).
- Help ensure your planter raises the necessary funds and practices fiscal responsibility and generosity.
- Help hold your planter accountable for their life and doctrine (see Send Network Planter Expectations).
