

## What is a Supporting Church?

## **Every church** can help plant churches.

Whether your church is new to church planting or you have planted dozens of churches, we want to help you take your next step.

## Supporting Churches partner with a church plant by praying, participating and providing for their needs.

## SUPPORTING CHURCHES...

- Do everything a Cooperating Church would do (pray for planting and give to the primary SBC offerings).
- Commit to pray, participate and/or provide for the needs of a church planter.
