

What is a Supporting Church?

Every church can help plant churches.

Whether your church is new to church planting or you have planted dozens of churches, we want to help you take your next step.

Supporting Churches partner with a church plant by praying, participating and/or providing for their needs.

SUPPORTING CHURCHES...

- · Do everything a Cooperating Church would do (pray for planting and give to the primary SBC offerings).
- Commit to pray, participate and/or provide for the needs of a church planter.
