GIVE GIFTS THAT MATTER

Bryant Wright
President, Send Relief

I'm excited to share this Gift Catalog with you because it's filled with opportunities to meet urgent physical needs in the name of Jesus.

Today, many across the globe are in the midst of a devastating hunger crisis. A number of factors have turned this

food shortage into a critical situation for families in multiple countries where poverty is already a significant issue.

Many items throughout this Gift Catalog will help meet this urgent need for nourishing food. Choose a goat, crisis relief meals or a sewing machine—or all three—to make a life-changing impact on people in need in the U.S. and around the world.

Because of your generosity, hundreds of Send Relief partners are able to care for the vulnerable and respond to crises. We are grateful to call you partners in ministry. And we always seek to share the Good News of Jesus as we meet real needs.

As you browse the gifts on the following pages, please pray for the people who will receive each one. Then, ask God what He would have you give. Thank you.

With grace and peace,

P.S. Because operational expenses have been covered, 100% of your gift goes to meet physical needs and share the hope of Jesus.

GIVE TO MEET THE GREATEST NEED

GREATEST NEED

ANY AMOUNT

When you give to meet the “Greatest Need,” your generosity will go to work immediately to make the biggest difference for families struggling to meet their most basic needs. Most important, you'll carry the gospel to people who are hungry for hope.

FIGHT HUNGER THROUGH **FARMING**

most popular gift!

Last year, 500 vulnerable families in Guatemala were given chickens. Previously, these families completed the required training to receive their chickens—learning not only how to care for them but also how to earn an income by creating a small business. In addition, the families had the opportunity to hear the Good News and receive copies of the Gospel of John and other Christian booklets.

One recipient of the chickens is an elderly widow. Her husband passed away two years ago. She said it has been a struggle to support herself and that the chickens are a blessing from the Lord! She and the other families can eat the eggs and chickens as well as sell both to earn money for other necessities.

HELP VULNERABLE CHILDREN

It started simply enough for the Piggots: deliver one meal per month to a foster family in their church. Then God stirred their hearts to welcome a child into their home.

“We began serving a family who fostered multiple children. We cooked meals for them, gave homework assistance and babysat. This time serving others opened our hearts to the possibility of fostering ourselves and eventually led to us adopting our youngest son.”

Through Send Relief, you, too, can make a difference for foster families and children in foster care.

Women living in a volatile nation in Central Asia are being helped through Send Relief vocational training. These women were forced by rogue anti-government groups to resettle in unfamiliar villages. Today, they support themselves financially by weaving beautiful carpets. This program has helped nearly 200 people so far.

FIGHT HUMAN TRAFFICKING

Every Friday night at 11 p.m., volunteers pile into a 15-passenger van branded with the Send Relief logo and drive to Fig Street. This area of Los Angeles is known for gang activity and prostitution. As the van approaches, the women on the corners start smiling and come running.

“It’s the church girls!” they yell. Each of the women is eager to get their gift bag, a cup of hot chocolate and a bag of chips. Because these volunteers have consistently shown up, asked their names, asked them what items they want and need and prayed for them, they are trusted.

Compassionate Send Relief supporters make it possible to reach out to these women and let them know they are loved by their Creator and made for a purpose.

**PROVIDE
CLEAN WATER**

Mr. Viraj was notorious for being hostile to Christians in his community in South Asia. He had even convinced his entire village to adopt anti-Christian views. That is, until you and other Send Relief supporters made it possible for their village to have clean drinking water. Theirs was one of 25 communities in the region that received a well last year. Mr. Viraj was shocked when a local church planter explained that access to the well was freely given.

Today, eight villagers, including Mr. Viraj, have given their lives to Jesus and are now attending weekly prayer meetings to ask for God to bring even more believers into the community.

WATER WELL

Strengthen Communities—International

\$1,000

A water well is a transformative gift for a community, providing families with easy access to clean, fresh drinking water for generations to come. While the average cost to build a new water system is \$5,000, you can help share the cost by giving \$1,000.
